Superintendents Report

Dear Members,

I have heard nothing but rave reviews on the condition of the golf course. I want to personally thank all of the members and guests who continue to support the efforts of me and my staff and bring joy to what we do. Dealing with Mother Nature and the other curve balls that get thrown our way is not always easy, however you all remain 100% supportive and complementary of our hard work.

I am happy to report the progress the Turf Management Team is making with our contractors. In a very short amount of time, we have completed bunker renovations on #12, #15, #17. We still have work to be done on #4 and #7. Additionally, we have completed some cart path repair on #1, #7, #10, #11, #12, #13, #14, #16, #17, #18. And behind the scenes, several upgrades have been made to our aging irrigation system.

These upgrades are hopefully just the beginning of many to come. We have many things in the planning stages that will be revealed soon enough! Thank you all for your patience while we make these improvements to the property.

Best,

Sean Flynn

Shoe Shine Service

As you are aware by now, we have instituted a shoe shining service. This amenity is available to our members in an effort to provide expanded service to all. You will find the policies explained in the Members Locker Room. We do ask for one thing - Please leave a \$5 gratuity in your shoes for their cleaning. We hope that all of our members will make use of this service.
