

July - 2016

Superintendents Report

Summer is approaching!

As you have noticed, there have been some new changes throughout the property. The elimination of bunkers on #12, #15 and #17. We also enlarged and expanded the fairway on #12. Fountains will be install in the pond between #3 and #4. Stone walls were constructed on #3 and #7. Some upcoming projects will be filling in the right greenside bunker and extending the stone wall in front of #4 green and reconstructing the long bunker on #7.

Thank you all for your continued support as we work through these projects.

Check out the new fountains next to the 4th green!

Best,

Sean Flynn
Superintendent, Greens & Grounds
Great River Golf Club
