IWC Big Pilot's Annual Calendar Spitfire (IW502702)

The IWC Big Pilot's Annual Calendar Spitfire (ref. IW502702) features the IWC-manufactured 52850 caliber mechanical automatic movement with an approximate 7-day power reserve when fully wound; slate gray dial; annual calendar with displays for the date, day & month beneath 12 o'clock; power reserve display at 3 o'clock; small seconds subdial at 9 o'clock; sapphire-crystal, exhibition case back; and 46mm, stainless steel case on a dark brown calfskin strap secured by a stainless steel folding clasp.

About the IWC Big Pilot's Annual Calendar Spitfire:

The annual calendar shows the month, date and day in three separate windows. The IWC-manufactured 52850 calibre has two barrels that together generate a 7-day power reserve. Lovingly crafted details like the polished bezel on the satin-finished case and the ornamental seams on the Santoni calfskin strap contribute to the watch's exquisite appearance.
